

Thank you for your support.

"Catholic institutions should continue their tradition of *commitment to the education of the poor* in spite of the financial burdens involved. In some cases it may be necessary to find ways to share the burden more evenly, so that parishes with schools are not left to shoulder it alone." Pope St. John Paul II (Source: *Ad limina visit of bishops from Illinois, Indiana, and Wisconsin, May 30, 1998*)

THE SACRED CONGREGATION FOR CATHOLIC EDUCATION

~THE CATHOLIC SCHOOL~

"The integral formation of the human person, which is the purpose of education, includes the development of all the human faculties of the students, together with preparation for professional life, formation of ethical and social awareness, becoming aware of the transcendental, and religious education. Every school, and every educator in the school, ought to be striving "to form strong and responsible individuals, who are capable of making free and correct choices," thus preparing young people "to open themselves more and more to reality, and to form in themselves a clear idea of the meaning of life."

40 Week Club

In support of our
Catholic School and
Youth Ministry

The community of St. Teresa's
School, in our Lord Jesus Christ, is
dedicated to academic excellence
within the Catholic Tradition.

Why support Catholic Education?

Catholic schools are good for children, families, communities, the nation, and the Church. Today more than ever, they need our support. Why should we champion Catholic schools? Here are four reasons--and there are certainly more!

- Catholic schools provide religious and moral formation in a world desperately in need of Gospel values.
- Catholic schools excel in offering high quality education, particularly to those most in need.
- Catholic schools are the responsibility of the entire Catholic community.
- Catholic schools are essential to the health of the Church and our democracy - they nurture the soul of our nation.

How can you help?

Thank you for investing into our 40 week club. We are excited about this great fundraiser for our Parish school, Youth and Religious Education programs. By your generosity we will be able to help students attend the school, attend retreats and enjoy Catholic Youth Ministry events and programs, maintain the facilities, offer excellent programs for our youth and keep Catholic Education alive and well in South Georgia.

Here's how it works:

Total investment into our youth for this program is \$200.00 per yr.

- Each member pays \$20 per month, \$50 quarterly or make one payment of \$200.00.
- Each week, there will be a drawing for those up to date on payments for cash prizes of \$15/\$25/\$50. Quarterly there will be a \$100.00 drawing. You could win weekly!
- At the end of year, in connection with the Feast of St. Teresa, we will have a Dinner/Dance where top cash prizes will be awarded.
- Sellers of memberships into the club are also rewarded. Every time one of their members wins, they win.
- Sellers will receive their checks at the end of the club.
