Why should we care?

Because youth and young adults matter. Not only are they the future, Pope Francis is very clear that young people "are the now of God." They are influencing and impacting the Church and the world today, and any person of faith should be walking alongside them: as peers, as mentors, as guides, and as fellow travelers on the road toward Jesus Christ and the Kingdom of God. How can you help?

Thank you for joining our 40 Week club. We are excited about this fundraiser which helps our Parish School, Youth and Religious Education Programs. By your generosity, we are able to help our young people attend school, retreats and enjoy youth ministry events. Part of the funds raised also go to purchase materials and equipment for our kids as well as to maintain areas of the facilities where they gather.

Here is how this program works:

Investment in our Youth for only \$200 a year. Each week, there is a drawing for those up to date on their payments for cash prizes of \$15/\$25/\$50. Quarterly, there is a \$100 drawing—Winning more than once is always a possibility! At the end of the Year, in connection with the Feast of St. Teresa, we schedule a social get-together where top cash prizes are drawn. Everyone paid up to date is eligible for the \$1,000.00 top prize. Become a seller by inviting people to join the club. Every time one of your invitees wins, 10% of their winnings goes to you. Sellers receive one check for all their efforts at the end of the club. **Attention St. Teresa's School family/friends** For every upfront \$200 paid membership, you may delegate \$100 of it towards any child's tuition.
